

Call for Expression of Interest (EoI)

Developing a Research Program and Strategy for Academic and Research Institutions to Conduct Long-term Ecosystem-based Adaptation (EbA) Research in Nepal

The Nepal Academy of Science and Technology (NAST) invites Expression of Interest (EoI) from qualified individual consultants to undertake the assignment *Developing a Research Program and Strategy for Academic and Research Institutions to Conduct Long-term Ecosystem-based Adaptation (EbA) Research in Nepal*. The assignment is a part of *Implementation of Urban EbA Research Activities Project* being implemented by Nepal Climate Change Knowledge Management Centre (NCKKMC) at NAST in collaboration with Kathmandu Valley Development Authority (KVDA).

Interested applicants are requested to submit:

- Expression of Interest (EoI)
- Concept Note outlining approach and methodology, work plan
- Financial Proposal
- Curriculum Vitae (CV)
- Any other documents specified in the Terms of Reference (ToR)

The detailed Terms of Reference (ToR), including the scope of work/key tasks, eligibility criteria, deliverables etc. can be downloaded from the website (www.nast.gov.np or www.nckkmcnast.org.np).

Please submit the required documents via email: urbanebaresearchgrant@gmail.com

Submission Deadline: 2026 August 31
